

# SCHEART Healthcare Emergency Training Net

## Preamble

APRIL 23, 2020

<Key>

Good Morning South Carolina, welcome to the SCHEART Healthcare Emergency Training Net. Is there any emergency traffic at this time, please call net control now?

<Unkey> <Key>

This is a directed Net. In an actual healthcare event, a net could be activated to provide redundant communications for hospitals and other ESF-8 health and medical agencies.

<Unkey> <Key> **(Don't forget to send your call sign every 10 min.)**

Acting as your net control operator today is **Name**. I am located in **County**, my call sign is **phonetically**.

<Unkey> <Key>

The mission of the Healthcare Emergency Amateur Radio Team is to provide trained volunteer Radio Response Team Members to support Healthcare Facilities in times of emergencies. This net is conducted in accordance with FCC Rule, **Part 97, Section 113 (a) (3) (i)**.

If you are not near a two-way HAM radio, you may participate in the net by sending an e-mail check-in to KQ4KK@ARRL.NET (I Spell: KILO, QUEBEC, 4 KILO, KILO at ALPHA, ROMEO, ROMEO, LIMA dot NOVEMBER, ECHO, TANGO). Those check-ins will be acknowledged at the end of the net.

<Unkey> <Key>

The purpose of this net is to train RRT members to use ham radio equipment to provide redundant communications for hospitals, and other ESF-8 health and medical agencies. Local RRT members will use agency or facility ham radio equipment, where possible, to check into the net. We will take individual check-ins that are not affiliated with **hospitals, nursing, and rest homes** after going thru the four DHEC regions.

<Unkey <Key>

This net will be conducted on Thursdays each week. The net time is 9:00 A.M. We will rotate the starting area for check-ins each week.

<Unkey> <Key>

For those stations that will be checking into the net please observe the following guidelines:

- When transmitting, please key your mike and wait 3-4 seconds before speaking so that the repeaters can link up.
- Also, please state if you are also an **MRC volunteer**.
- Then give your call sign phonetically, followed by your name, county, and facility. (Example: (USE YOUR OWN EXAMPLE, OR) This is Kilo Delta Four Juliet Delta Juliet, My name is Roger, I'm located in Richland County and I'm affiliated with ARES at South Carolina State EOC.) Then list any message traffic or announcements if you have them.

<Unkey> <Key>

(CALL ROTATION POLICY - For Week 1 of the month, start with Low Country Region. Week 2 start with the Midlands Region. For Week 3, start with the Pee Dee Region. Net Control wishes to acknowledge the following e-mail check-ins for the following stations.....

At this time, I'll take late check-ins, please call net control.

**Announce the total check-ins.**

We would like to thank everyone who participated in this net and we would like to invite each of you to join us on our next SCHEART Healthcare Training net next Thursday at 0900. In addition, we have a scheduled Statewide ARES net every Sunday night using the SCHEART linked system at 8:00 PM, and we would like to invite each of you to join us there as well. Also if you are DSTAR capable, please take time to check into the Coastal DSTAR Health Care net every Thursday at 8:30 AM on Reflector 030B **(Thirty Bravo)**, before the regular SCHEART net that meets at 9:00 AM. With that said, 73 to everyone, the net is now secure and we're returning the system back to normal amateur radio use. This is **call sign phonetically, CLEAR**
