- 3) N4BQQ, Mike - Netlogger
- 4) K4ERK, Ed
- 5) KN4TFH, Richard
- 6) K3VCR, Clay
- 7) KO4WAA, Joe
- 8) KD4NOX, Bill
- 9) W1GTT, Bill
- 10) W1GTJ, Jean
- 11) K4LLE, Pete
- 12) WD4LED, Steve
- 13) KM4RCN, Jack
- 14) K4VHR, Wayne
- 15) KN4SYX, Reuben
- 16) AE3RB, Robert
- 17) KB1MDM, Richard
- 18) N4SJC, Steven
- 19) KC4UAL, Steve
- 20) W1MRC, Matthew
- 21) KB3HNB, Bob (via Zoom)

Winlink check-ins

- 1) KM4RCN, Jack
- 2) K4ERK, Ed
- 3) KD4NOX, Bill
- 4) N4BQQ, Mike
- 5) KB3HNB, Bob
- 6) WD4LED, Steve

Announcements

9/19-9/24 – License training **9/25** – Testing at SC ETV

For more information, follow this link: [September Amateur Radio Training and Testing | SCHEART](#)

9/17-9/18 – QSO Today Virtual Ham Expo happens this weekend.

This will include many interesting presentations. For more information, follow this link: [Home \(qsotodayhamexpo.com\)](#)

10/1/22 - Rock Hill Ham Fest

For more information, follow this link: [American Radio Relay League | Ham Radio Association and Resources \(arrl.org\)](#)

Pace Academy – KC4UAL, Steve provided an update on activities CARC is involved with regarding the after-school science class helping students from 2nd through 8th grade learn about amateur radio. For anyone who wants to get involved, please contact Steve, KC4UAL or Jim, W4JLP. **Steve, thank you for sharing!**

10/8 – CARC Swap Fest: [Save the Date: October 8th, 2022 CARC Swap Fest – The Columbia Amateur Radio Club \(w4cae.com\)](#)

10.1.22 Training last weekend

K4ERK, Ed, provided a recap on Palmetto EOC system introductory training that occurred on 10.1.22. Access to the system requires County Emergency Manager authorization.

Also, on 10.1.22, AUXCOMM training included a presentation Interoperability, and a tabletop exercise on how to complete an ICS-205 form. The afternoon was spent in an exercise with 4 groups responding to an EF5 tornado.

9/24 (9:00 – 10:30) We'll have a discussion tabletop on the subject of ARES activation via Zoom. This is in lieu of Message Traffic Practice. Look for Zoom invitation.

11/12 (0930 – Noon) Fire Station Net

We'll be ending 1 or 2-man teams to a number of different Fire stations in Columbia and Richland to hold a net. Hopefully, we can encourage Firefighters to consider taking up the hobby and getting involved with emergency communications.

For more information, follow this link: [SC Midlands ARES Training Net \(ares-sc.org\)](#)

9/10-9/18 Route 66 Special Event

For more information, follow this link: [W6JBT.ORG – Home of Citrus Belt Amateur Radio Club](#)

9/17 (9:00 – 10:30) Ham and Eggs breakfast at the Golden Corral on Forest Drive

9/17 (8:00 – Noon) Florence Swap Fest

For more information, follow this link: [W4ULH.net – FARC \(Florence Amateur Radio Club\)](#)

ICS-213 message traffic

9/15 – KD4NOX was sender and KN4KRZ was the receiver.

9/22 – KN4KRZ will be the sender. Let me know if you'd like to be a receiver.
